25X1 5. ([] - GLC) Met with Jim Gehrig and Diane Kincaid, on the
25X1 staff of Senator Stuart Symington, and gave them further information
provided by [] DDI, on purchases by the [] govern-
ment of aircraft and aircraft engines from the Soviet Union. This appeared
to satisfy them at least for the moment. I advised them that if this
information should be used, it not be attributed to this Agency.

25X1 6. ([] - JGO) Received from Mr. Cyrus R. Vance, General
Counsel, DOD, a proposed press release presently classified SECRET on
the circumstances of the death of John Birch in China in 1945. The letter
and enclosure were transmitted to Colonel Grogan for his action.
